Wings that Weep

O bird in a cage,
How did you get lost in such treachery.
From the unchartered map,
of the sky's territories?

You are stuck in a prison with no escape,
The only key rests
In a human's hands,
Such agony!

To think you are helpless,
And know it is true.

You stare at your wings,
And realize that you will...

~~Never~~ embrace the gift of flight again.

All the while

It dawns on you,

That there are things worse

Than death
